

Tips for when you tape

Remember it is always the day before your assigned day. If your day is on Monday you come in on Friday.

Stand or sit with good posture

Don't move or sway

Read through the slides first!

It helps to know what you are going to read.

Say words and names correctly

“Practice isn’t the thing you do once you’re good. It’s the thing you do that makes you good.” - Malcolm Gladwell

Speak like you are talking to someone.

Check:

Volume (how loud-soft)

Not too fast (slow down)

Pleasant voice -nice:)

Remember to smile and have fun!

This will be an awesome experience for you.

You will be a movie star for a day.

You will deliver important information to 600 people.

**If you need any help or have questions
make sure you ask**

Don't wait. We are here
to help you now.

When you come in to tape
You need to be completely
finished and have read through your slides!
