VALENTINE'S DAY CELEBRATION

This year for Valentine's Day we're going to celebrate a little differently than we have in the past. We're going to have students bring their valentines to school on **Monday, February 8**. Having students bring their valentines in early will allow time for cards to sit before passing them out to friends. Please don't send boxes or containers for students to collect valentines. Bags will be made at school. We will celebrate Valentine's Day on Friday, February 12 with games, read alouds and more safe, fun activities!

CELEBRACIÓN DEL DÍA DE SAN VALENTÍN

Este año, para el Día de San Valentín, lo celebraremos de manera un poco diferente a como lo hemos hecho en el pasado. Vamos a hacer que los estudiantes traigan sus tarjetas de San Valentín a la escuela el lunes 8 de febrero. Hacer que los estudiantes traigan sus tarjetas de San Valentín temprano permitirá que las tarjetas se asienten antes de entregarlas a sus amigos. No envíe cajas o contenedores para que los estudiantes colecten tarjetas de San Valentín. Las bolsas se harán en la escuela.
