## From the Principal's Desk

The staff here at LMHS welcomes your continued support of our entire school community as we look to finish the second part of our school year strong. More than likely, the rest of the year will bring us some of the same challenges that we have encountered and we look to offer a few reminders that will help us all throughout the second semester.

- Please check your email daily (students/parents). There will be a lot of information sent out over the next several weeks/months that will pertain to graduation, scholarships, testing, and other important items.
- For our current 9th through 11th graders, an email was sent out Monday, Jan. 23 which explains the 2023-24 Course Selection Registration Process. Please see your email for more detailed information.
- The Daily Bulletin is posted on our website each day by 9:30 AM - check it out!
- Log into your Skyward account and check your child's grades, fees owed, messages, etc.
- Stay Involved!

Keep Warm,

Cale Vogel  
Principal

## SECOND SEMESTER CLASS FEES

**\*\*IMPORTANT\*\***

Because students were doing class changes, we were waiting to assess 2nd semester fees. They should now show in Skyward. Parents can now go online and take care of their students' 2nd semester fees OR if anyone still has an outstanding school fee, they can do that as well.

**PLEASE CHECK YOUR FAMILY ACCESS** to determine if/how much you owe. Statements are also emailed and mailed out each month.

Your PROMPT ATTENTION to this matter is greatly appreciated!!

## Calendar Feature: NOTIFY

Our website has a great feature! When you go to the High School website and click on calendar on the left hand side, you will see our daily event calendar.

But, when you go to the District website [www.lakemills.k12.wi.us](http://www.lakemills.k12.wi.us), hover over the word District and then under District Information, click on Calendars, from there you can reach the "Athletic Calendar". This is the rSchool calendar and within it you can register for texts and/or emails to remind you of chosen events.

This NOTIFY feature also registers you to be notified if there are cancellations or changes to the schedule.

Although it is reached through the "athletic calendar", you can chose any type of activity hosted by the school district.
