

## Club 55 Senior Center

By Carol Burrows Club 55 Senior Center Correspondent

The deadline for the bus trip to Chicago has been extended to this Wednesday, November 17. There are still some seats available for the Rec. Dept. trip to Chicago this Saturday, November 20. This is the Magnificent Mile Shopping Trip that allows you to avoid driving down and finding a parking spot but enjoy all of the beautiful decorations and visiting the 'windy city'. The Chartered bus will depart from the Lake Mills Elementary School back parking lot (off of E. Prospect Street). The bus will leave promptly at 9:00 am. Please arrive by 8:45 so we will be set to go on time with all accounted for. The fee for residents is \$45 and \$55 for non-residents. The return time is approximately 10pm.

Good news for all of you Pickle Ball players and want-to-be Pickle Ball Players. More folks are interested in learning to play this fun game and have been letting us know. Club 55 is organizing a time to use the gym at RLAC for new players to help you learn. Stay tuned for more details about time, day, and anything you may need to play. Sounds like a great way to get indoor exercise this winter.

Take some time when you are downtown to look at the band stand in Commons Park and see the finial that has been placed at the very top. It is the finishing touch to the renovation that was done a couple of years ago. Many thanks to Dan Hundt for the hours he spent replacing rotten boards and many other details that needed to be done. Dan and Ann Hundt have spearheaded the effort to keep this amazing Lake Mills icon in great shape well into the future. Franklin D. Roosevelt would approve!

We are making a list of Euchre players and their contact information so they are able to check with each other so there are enough to play each week. If you would like your name on the list call Club 55 at 920-728-2176.

Just a reminder that Club 55 will be closed next week on Wednesday, November 24, but we will be open at 2:30 for you to pick up your meal from Bia. We follow the school calendar and there is no school on the day before Thanksgiving.

Thanksgiving is the start of a flurry of shopping and holiday plans. Please consider shopping local again this year. Our Mom and Pop stores are still trying to catch up from the many slow months of the pandemic. Lake Mills has many places you can get gifts for a variety of family and friends. Consider a gift certificate from any of the restaurants. Everyone loves to eat out and be treated. We have a great candy store right out in the business park area that sends their specialty candy to many other states and cities but we get to walk in and inhale the great smell of the days creation. We have a new art Gallery that is selling local artists work that is amazing. They have a variety of gifts for \$5, \$10, that would make great one-of-a-kind gifts. Check out the 2022 Calendar available for \$15 done by Rick Santovec who you may have seen working out in the fitness room at RLAC. You get the idea. Please look local instead of shopping online...you are helping a neighbor.

The Tour of Homes is back on track this year and is being presented by the Rock Lake Activity Center and ReMax Shine. Mark your calendars for Saturday, December 4 and plan to visit the 4 featured homes. Tickets will be available soon for \$15. A portion of the proceeds will be donated to support the Tammy Hafenstein scholarship Fund. More info soon.

The Bia meal for Wednesday, November 24 is Meat Lasagna, salad, bread, dessert. Place your order by Friday, November 19. You may order online at: <https://www.lakemills.k12.wi.us/recreation/bia-meal-program.cfm> or by calling club 55 at 920-728-2176.
