

Club 55 Senior Center

By Carol Burrows Club 55 Senior Center Correspondent

I am sitting at my computer on a Monday morning in May and hearing one of the high school bands practicing which means that summer events are coming up quickly. Memorial Day is a week from today, Monday, May 31 and then we slide into June with lots of parades and festivals back on the agenda. It will be good to be able to enjoy some of these familiar gatherings.

Speaking of slide/sliders...seeing so many mostly men working at the Legion Hamburger Stand made me wonder why it is that more men are not involved in other activities? Perhaps these are only the things that I experience and there are many men who volunteer at schools, community events, hospitals, the Humane Shelter, church dinners, etc. I can think of other places that are volunteer staffed and for the most part mostly female. Come on guys...we need you!

Our first June bingo is set for next Wednesday, June 2nd and then on the 16th, and 30th. Thanks to Trinity Pines for sponsoring our last May bingo and to Jane and Dennis for donating homemade banana bread for prizes and rhubarb cookies as treats. It is always great to have something special. We continue to have a good group attending but able to still distance ourselves.

As more and more of us have had our vaccine we hope to extend our hours at Club 55. It will help us to schedule if we know how many of you would come for Mah-Jongg, Canasta, Euchre, Dominoes, or whatever else you enjoy. Please let us know when you are at Club 55 or call Club 55 at 920-728-2176. We are also hoping to start the bike rides that so many enjoyed. They are open to anyone who enjoys riding with a group. We meet at RLAC on Monday mornings at 9am and ride. This is a ride to enjoy the weather, scenery, and for exercise. You do not need to be an Olympic biker to join this group. Please let us know if you are interested so we can get started.

Remember that June Foot Care is on Thursday the 10th this month. Appointments can be made by calling 920-728-2176. Bring your own towel, \$15.

Stop in at RLAC to see what we are all about. We are at 229 Fremont Street and open from 10-12 on M, T, and Th, and from 10-3 on Weds.

Club 55 will not be open on Monday, May 31st, Memorial Day.

The Bia meal for Wednesday, June 2 is Chicken Broccoli Rice Casserole, fresh fruit salad and dessert. Meals are fully prepared and delivered cold to Club 55 at 2:30 on Wednesdays...\$10.55 includes tax. Your order must be in by Friday of the week before to allow time for Jason and Beth to get their shopping list together. You may go to the website and click on the meal to order, fill out an order form at Club 55, or call Club 55 at 920-728-2176 and ask to be added to our email mailing list. The website is <https://www.lakemills.k12.wi.us/recreation/bia-meal-program.cfm>

Mark your calendar for Saturday, July 17 to invite your friends and relatives to visit Lake Mills. It is the return of the Art Festival in Commons Park and held in conjunction will be the Friends of the Library Garden Tour. Three of the gardens are on Mulberry Street within walking distance of Commons Park. There is also one on Linden Street and another on the corner of Madison and Oak Street. I will send out more information each week so you can plan your day. I think this kind of day will qualify as a "Stay-cation".
