

## Club 55 Senior Center

By Carol Burrows Club 55 Senior Center Correspondent

I always call us 'sturdy Wisconsites' especially about just rolling with whatever the weather deals out. This June weather has proven my theory. Although Lake Mills did not experience the hail and snow that covered the streets and clogged the storm sewers in Oconomowoc last week, we will probably have the extreme temperatures predicted for this week. I like to think that our many variations of weather help keep us versatile in many areas of our lives.

Molly Krull is a sixth-grade student in the Lake Mills Middle School and has organized an event as part of her final project for her Social Studies Class. On July 6, she would like to celebrate Elderly People Appreciation Day in Lake Mills. The event will take place in Commons Park at 6 pm. There will be food, music, and a special surprise. Mark your calendars and stay tuned for more information. Sounds like something we don't want to miss!

You are missing out on a great place to meet friends and enjoy part of each week if you have not gotten to Club 55 lately. We are open Monday through Thursday 10 am – 3 pm in the Rock Lake Activity Center (RLAC) 229 Fremont Street. To check our website for the calendar for the month with all activities listed go to <https://www.lakemills.k12.wi.us/recreation/calendar-of-events-club55.cfm> Let us know if there is something that you would like to add and think that others would also enjoy doing.

Lenore suggested that folks might enjoy playing Cornhole as that has become so popular that leagues have formed. We could play inside or outside in good weather. If you think that would be something that you would like to have offered at Club 55 stop in and tell us or call 920-728-2176 and let us know.

Join us for Bingo in Commons Park next week on Wednesday, June 20 at 1-2:30 pm. We started doing 'park bingo' during the pandemic when we could space outdoors and found that many people enjoyed the setting. Shoppers at the Farmers Market also stopped in and played. It is free and a great way to spend an afternoon. If the weather does not cooperate, we will play in the RLAC gym.

Check out the changing food stands each Wednesday in the shelter during the Farmers Market in Commons Park. Our newly formed Legendary Lake Mills group is providing a change of menu each week. Linger awhile, and enjoy our beautiful little town!

The Bia/Crawfish Junction Menu for Wednesday, June 22, is Chicken Enchiladas, with Spanish Rice, Dessert. Your order must be placed by Friday, June 17 for delivery. You may place your order by filling out a form at Club 55 or by going online at <https://www.lakemills.k12.wi.us/recreation/bia-meal-program.cfm> You may also order by calling 920-728-2176. Meals are delivered to Club 55 at 2:30 on Wednesdays. (However, if bingo is played in the park, then meals are delivered to Commons Park, downtown.) Checks should be made to Crawfish Junction.

The Tree-Ripe Fruit Truck is starting their delivery of peaches and are scheduled to be in Rotary Park, 191 Sandy Beach Road, from 3-4:30 on Monday, June 27<sup>th</sup>. Georgia Peaches are sold by the 25 pound box and are \$45.

Come and join us for an afternoon of fun playing bingo, shop the Farmers' Market and then grab your supper at the food stand in the park. This week the Rock Lake Activity Center will be selling sloppy joes, chips and a beverage. Bingo is from 1-2:30 so you will have plenty of time to enjoy a leisurely walk through of the Farmers' Market.

The ADRC Wednesday Walk on June 22 is at Korth Park W8390 Korth Lane, Lake Mills. We are so thankful to the Korth Family for this incredible piece of property! How long has it been since you have enjoyed the beautiful scenic view of Rock Lake from the top of a glacial drumlin dominating the center of the property? Arrive by 9:00 am, dress for weather and wear comfortable shoes. The walk will be cancelled in the case of inclement weather, and there is no cost to walk. There are many health benefits from walking and being outside in the fresh air, feeling the sun, and meeting new people just adds to those benefits. Come join us!
