

# A NOTE FROM THE DIRECTOR

Welcome!

Summer is winding down and the excitement for the school year is ramping up. We're excited to help bring back a sense of routine for both students and families. Our goal at the Lake Mills Community Recreation Department is to offer programs and activities that fit into your schedules and enhance your daily lives. If you have an idea for a new program, please let us know. We are always open to new ideas as we look at expanding our programming to better meet the needs of our community.

We have over 50 students already enrolled in our before and after school program for the school year. We're headed to Schuster's Farm for our fall adventure day in September. Our flag football and fall soccer leagues are already up and running. Make sure to check out this guide for more youth sports offerings this fall and some enrichment activities as well. New this fall, we welcome you to come out to the track and walk with us. Our high school track will be open on Tuesday and Thursday mornings for anyone in the community to come and enjoy. Stay tuned for an indoor walking space in our winter program guide.

Our dedicated staff is here to serve you. Please feel free to reach out to the Lake Mills Community Recreation Department with any questions, comments or suggestions you may have.

Sincerely,

Carmen, Brooke, and Amanda
