

LAKE MILLS RECREATION DEPARTMENT

SPRING/SUMMER PROGRAM GUIDE 2024

PLAY. LEARN. LIVE

A NOTE FROM THE DIRECTOR

Welcome to our Spring and Summer Program Guide.

As the mild winter frost begins to thaw and the spring flowers and grass start to emerge, we are happy to extend a warm welcome to you all for another season with the Lake Mills Recreation Department! With spring's arrival, we are filled with a sense of gratitude for the support you've shown towards our programs and activities throughout the year.

You may notice that there are some changes to this year's guide. The department is currently going through a restructure, and some program offerings have been changed as a result. We appreciate your patience and understanding during this time. One other change that you will want to **pay attention to is our delayed registration date for Fall Soccer and Fall Flag Football.** Both of those programs will have registration opening the first week of July.

Lastly, I want to end with a note of appreciation for the opportunity to serve the community for over 11 years. I have had the pleasure to work with some great volunteers, staff, students and businesses during my time here. But even better, I've been able to witness many moments of joy that are a result of our programming.

Warm regards,

Ben Dayton-Director of Recreation

W.A.S.C. ACCREDITED!

In 2021, we received our Wisconsin Association of Senior Center (WASC) official accreditation that we had been working toward for two years. Representatives from WASC were here to present a plaque of recognition. We had many seniors share in our celebration of dedication to serving the needs of older adults in our community.
