

WINTER PROGRAM GUIDE

2024-2025

PLAY. LEARN. LIVE.

A NOTE FROM THE DIRECTOR

Greetings!

As the leaves change colors and fall settles in, I'm excited to share our Winter Program Guide with you. This season, we're particularly excited to unveil several new winter programs that celebrate the spirit of community and connection. One such program is our upcoming community-wide book read – a collaborative effort with the L.D. Fargo Public Library, our local bookstore Daydream Believer, and Lake Mills Area School District. This unique opportunity aims to bring our community closer together through the shared joy of reading. Watch for more details in early January!

Whether you're a long-time participant or new to our programs, you'll find activities that spark interest, challenge you to grow, and provide opportunities to connect with neighbors. There's truly something for everyone – regardless of age, ability, or interest.

Community recreation is more than just activities; it's about creating spaces where friendships flourish, where families create lasting memories, and where neighbors become friends. Every program we offer is designed with this vision in mind, fostering the warm, all inclusive community spirit that makes Lake Mills special.

As winter approaches, I hope you'll discover something in these pages that calls to you – perhaps a new skill to master, a fitness goal to achieve, or simply a way to stay active and engaged during the colder months. Every person who participates in our programs adds to the richness of our community. Here's to a wonderful winter season filled with growth, connection, and joy for all our residents.

Sincerely,

Carmen Weldon
