

# COMMUNITY SURVEY

Lake Mills Area

SCHOOL DISTRICT

## SURVEY RESULTS ARE IN!

### RECAP OF DISTRICT'S FACILITIES NEEDS

In 2015, the School Board's Facilities Committee developed a Long Range Facility Master Plan. The Master Plan is the District's multi-year, phased strategy for accommodating enrollment growth and updating academic and co-curricular spaces. The survey asked about the **first phase** of potential changes at Lake Mills High School.

### WHAT YOU TOLD US

#### MOVE FORWARD WITH:

High school academic additions and renovations.  
Creation of outdoor facility.

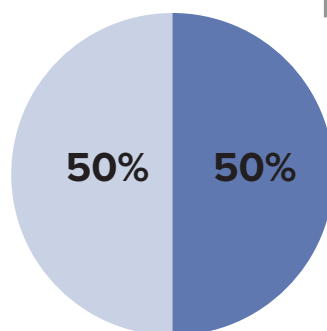

#### NOT AT THIS TIME:

High school gym and associated athletic spaces.  
Investigate a community pool.

### WHO RESPONDED?

942 responses were received  
This indicates a strong community response and statistically relevant results.

19% of the community shared their thoughts and voiced their opinions.

Do not have children in District  
Have children in District

70% of all district taxpayers are in support of the District exploring a referendum to fund the next phase of the District's Facility Master Plan.

81% of all respondents report they are **Very Satisfied** or **Satisfied** with the District.

## THANK YOU

for taking the community survey. The Board of Education is evaluating results and will consider a potential November referendum. Detailed survey results are on the District website at [www.lakemills.k12.wi.us](http://www.lakemills.k12.wi.us).
