*"Preparing all of today's students for tomorrow's opportunities."*

Mulberry Street re-construction work is scheduled to begin on Monday, April 2, 2019. This will involve re-construction from Madison Street to Grant Street.

To ensure the safety of students in this area, there will be a temporary restriction crossing Mulberry Street.

The City of Lake Mills is requesting that students cross Mulberry Street at the Franklin Street intersection.

Once work is completed, students will be allowed to cross at the Mulberry Street and Fargo Street intersection.

We appreciate your help in talking to your students about the safety of the Mulberry Street re-construction project.
