The State of Wisconsin encourages parents of Kindergartners to arrange for their child's eyes to be examined by an optometrist or evaluated by a physician by December 31 of the child's first year in school. An examination or evaluation should include, at a minimum, the elements listed below. (By checking the box, the examining doctor is indicating that the element checked was performed.)

- Brief history (general health and eye health) of the child, including family history
- General external observation of the child's eyes and surrounding structures
- Ophthalmoscopic examination through an undilated pupil
- Gross measurement of peripheral vision
- Evaluation of eye coordination and function (alignment and motility)
- Visual acuity for each eye (separately)

Findings:

As a result of this examination, follow-up care for the child is recommended:       Yes     No
