January Book Review

By Sam Witt

Book: To Kill a Mockingbird

Rating: 5/5

What is this book about?

This book deals with prejudice, racism, and innocence in a small Alabama town during the 1950s. We view the story through the eyes of Scout, who is 6-9 years old during the book. We see her grow up while dealing with the backlash from her father's position in a criminal case. Atticus Finch, Scout's father, is a white lawyer who is hired to defend Tom Robinson, a black man that was falsely accused of raping a white woman. Hypocrisy, strength, and morality are large topics that take place.

Would I recommend this book?

Yes, I absolutely would recommend this book! It was more interesting than I thought it would be and I was hooked the entire time. Don't let the first chapter trick you into being bored; the pace picks up quickly.

January Movie Review

By Sam Witt

Movie: Spider-Man: No Way Home

Rating: 5/5

What is this movie about?

Revealed in the last movie, Spider-Man's identity is now revealed to the entire world. With this comes backlash and the struggle to separate who Peter Parker is from who Spider-Man is. Trying to fix his obstacles with magic from Doctor Strange creates even more drawbacks. Peter Parker now has to recover the knowledge of what it means to be Spider-Man, from all of the universes.

Would I recommend this movie?

Yes. I would especially recommend you to watch this movie after watching the Spider-Man movies that came before. Even if you aren't a huge fan of Marvel, this movie is very enjoyable and takes you through a roller-coaster of emotions.

A Cozy Soup Recipe For The Winter!

By Morgan Haight

Chicken Noodle Soup

Ingredients

2 tablespoons butter, chicken fat or olive oil

1 large onion, chopped

2 large carrots, chopped

2 stalks celery, chopped (optional)

Heaped tablespoon minced garlic (4 cloves)

2 bay leaves

3 sprigs fresh thyme or use 1/2 teaspoon dried thyme

1 pound skinless, boneless chicken thighs (4 or 5 thighs)

8 cups chicken stock or broth, low sodium or use homemade stock

5 ounces egg noodles (or pasta of choice)

Salt and pepper, to taste

1/4 cup fresh parsley, finely chopped

Water or more stock, as needed

Directions

1. Melt butter in a large pot or Dutch oven over medium heat. Add the onions, carrots, and celery. Cook, stirring every few minutes until the vegetables begin to soften; 5 to 6 minutes.

2. Stir in the garlic, bay leaves, and thyme. Cook, while stirring the garlic around the pan, for about 1 minute.
3. Pour in the chicken stock and bring to a low simmer. Taste the soup then adjust the seasoning with salt and pepper. Depending on the stock used, you might need to add 1 or more teaspoons of salt.
4. Submerge the chicken thighs into the soup so that the broth covers them. Bring the soup back to a low simmer then partially cover the pot with a lid and cook, stirring a few times until the chicken thighs are cooked through; about 20 minutes.
5. If, during this time, the broth seems low, add a splash more stock or a bit of water. Turn the heat to medium-low.
6. Transfer the cooked chicken to a plate. Stir the noodles into the soup and cook until done, 6 to 10 minutes depending on the type of noodles used.
7. While the noodles cook, shred the chicken into strips or dice into cubes. Slide the chicken back into the pot and then taste the soup once more for seasoning. Adjust with more salt and pepper, as needed. Stir in the parsley and serve.

Five Interpretations of Your Dreams (Ask the Editor)

By Angie Dressel

Q: I had a dream in which I saw a colorful dress. What does it mean?

A: There is a centipede near you. It will not hurt you. If you treat it kindly, you may get extra luck on something important to you this coming month!

Q: I had a dream in which I went to the high school, but my elementary school teacher was there. What does it mean?

A: Whatever you do, do NOT get a turtle tomorrow. But feel free to get one the day after, that's fine.

Q: I had a dream in which I woke up and did normal stuff, but it was just a dream, and then I woke up and was late for school. What does it mean?

A: You will receive a piece of paper that is very important in the middle of a bunch of unimportant papers. Please check to make sure you don't recycle the important paper while you try to get rid of all the extra ones.

Q: I had a dream where I was walking down the street and I saw Taylor Swift with my dog, and when I confronted her she told me it wasn't mine. Then I got chased by the police in a car for talking to Taylor Swift and arrested. When I went to jail, Taylor Swift was in the jail cell with me and said she forgives me. What does it mean?

A: Your dog is a big fan of Taylor Swift. Find all your Taylor Swift albums and play them for your dog, just to be nice.

Q: I had a dream where I was almost hit by a person on a bike. What does it mean?

A: You will be asked if you know how to skateboard in the coming year. Start practicing in May, and you'll be great!
