Lake Mills Area School District

District Mission

Preparing all of today's students for tomorrow's opportunities

District Vision

A community passionate about inspiring all learners

The development of effective citizens is an essential component of our School District's mission. It has been the Lake Mills Character Education Committee's task to generate a set of core values to be used in partnership with the family, school, church and community. The Character Education Committee has defined the following five characteristics to be held in the highest esteem by all Lake Mills students, staff and community members. We feel these common core values transcend moral, ethical, political, and religious beliefs and can be agreed by all.

Respect is to show consideration and courtesy and to value self, others, property and differences.

Courage is to have an inner strength to remain faithful to your dreams; a willingness to question or challenge or take action in a difficult situation even when it may be painful or unpopular.

Compassion is to have empathy and show kindness and caring for everyone.

Honesty is to encompass the concepts of integrity, trustworthiness, truthfulness, loyalty and fairness.

Responsibility is to be accountable for your actions, having a sense of duty to self, family, community and society.

It is the responsibility of Lake Mills High School students to follow the five Character Traits which in turn will make our school a better place to be.

The Lake Mills School District does not discriminate against pupils on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability or handicap in its educational programs or activities.

ACADEMIC AWARDS PROCESS

Students earn points by being on honor roll for a SEMESTER. Seniors get a 3rd quarter last chance. High Honor Roll earns 2 points and Regular Honor Roll earns 1 point. Six points are needed to receive a Letter, 10 points for a Medallion, and 14 points for a Plaque. Awards are handed out each year at our End of the Year Celebration.

ACADEMIC INTEGRITY

Lake Mills Area School District is committed to academic and character excellence. Academic integrity is the cornerstone to each of these values and is essential to continued success in any future academic setting. The staff sets high standards for academic integrity and instructs our students in understanding academic integrity in a complicated, ever-changing, digital world.

The following activities will not be tolerated:

Cheating: Cheating is defined as a dishonest violation of rules or giving or receiving unauthorized information in academic, extracurricular, or other schoolwork, so as to give or gain an unfair advantage. Examples of cheating may include but are not limited to:

1. Copying or allowing others to copy information from someone else's work, test paper, homework, digital storage device, etc.
2. Unauthorized use of study aids, world language translators, notes, books, websites, information stored in electronic devices, etc.
3. Unauthorized prior knowledge of tests or activities.

Fraud: Fraud is defined as a deception deliberately practiced in order to secure unfair or unlawful gain. Examples of fraud may include but are not limited to:

1. Attempting to pass off someone else's work, imagery, or technology as your own, purchasing or selling an assignment from another person or technological resource.
2. Falsifying scientific or other data such as scholarship application information for academic credit or award.
3. Forgery of signatures or tampering with official records.

Plagiarism: Plagiarism is defined as to stealing and passing off (the ideas or works of another) as one's own; use (of another's production) without crediting the source. Examples of plagiarism may include but are not limited to:

1. The copying of language, structure, ideas, pattern of thought, sequence of ideas, and/or digital creations of another without proper acknowledgement.

Student Responsibilities:

1. To maintain and support academic integrity by completing all work, activities, and tests as assigned without engaging in cheating, fraud, or plagiarism. This includes ensuring that others do not make inappropriate use of their work.

2. To understand the academic integrity policy and individual staff member's expectations on any given assignment. It is the responsibility of the student to seek clarification if ambiguity arises.

Teacher Responsibilities:

1. To maintain/support the academic integrity of the school community.
2. To clearly present and uphold the expectations of academic integrity in the course syllabus, as well as in all individual and group assignments, homework, and testing. This includes explaining the use of permissible study aids, i.e., calculators, search engines, notes, translators, etc.
3. To check student work for plagiarism through a variety of means.
4. To report all violations to the building principal.

Building Principal Responsibilities:

1. To maintain/support the academic integrity of the school community.
2. To make available to all students, staff, and parents/guardians a copy of the Academic Integrity Policy.
3. To administer fair consequences for violations and maintain appropriate records.
4. To notify parents, teachers, and appropriate advisors of the violation and consequence.

Parent/Guardian Responsibilities:

1. To support the academic integrity in the school community.
2. To become aware of the Academic Integrity Policy and individual staff member's guidelines and expectations.
3. To advise the student of their expectations that the student will uphold the Academic Integrity Policy.
4. To support the consequences for violations as applied by the LMHS staff.

Consequences:

First Offense:

1. Teacher discretion of grading up to and including zero points or F grade equivalent on a portion or all of the assignment.
2. Discipline referral to the Building Principal.
3. Notification to all advisors of co-curriculars as appropriate and to parents/guardians.

Second Offense:

1. Meeting with the parents/guardians.
2. Additional consequences including but not limited to detention, in school suspension, and/or community service. - Created with the written permission of W.T. Woodson High School, 9525 Main St, Fairfax, VA 22031 (2006)

AGE OF MAJORITY (18)

Students are not exempt from complying with school rules enacted by the school board because they have reached the age of majority. They are subject to the same disciplinary actions as other students for violations of school rules and regulations.

Once an age of majority form is completed by a student and signed by a parent/guardian, it is the student's responsibility to arrange a meeting with the Principal in order to receive his or her age of majority card.

ASSEMBLY

Assemblies that disrupt the normal operation of the school, which are prohibited by law, which prevent any student from securing regular access to school facilities or classes, or which are inconsistent with school goals for teaching/learning are prohibited.

U.S. Constitution

ASSIGNED AREAS

Students are expected to be in assigned areas at all times as indicated by their educational programs.

Wisconsin Statute 118.15

Wisconsin Statute 118.33(1)b

ATHLETICS

Information pertaining to interscholastic athletics can be found in the Co-Curricular Handbook. The handbook is distributed to all athletes and their parents/guardians for reading and signature prior to the student-athlete beginning any form of participation in a chosen sport. For more information regarding the handbook and the athletic program, please contact the athletic director.

We are a member of one of the finest athletic conferences in the State of Wisconsin - the Capitol Conference. All conference schools expect parents/guardians, adults, and students to be good spectators. The conference asks everyone to abide by the following guidelines:

1. A ticket is a privilege to observe a contest and support high school activities, not a license to verbally assault others or be generally obnoxious.
2. Respect the decisions made by contest officials.
3. Be an exemplary role model by positively supporting teams in every manner possible, including content of cheers and signs.
4. Respect fans, coaches, and participants.
5. Be a Fan...not a Fanatic.
6. The Capitol Conference asks you to refrain from the following activities:
 - A. Stomping on bleachers
 - B. Use of noisemakers
 - C. Throwing objects
 - D. Inappropriate language
 - E. Behaviors added by the Conference Principals

Students or adults who demonstrate poor behavior may be asked to leave a contest. **When students leave an athletic contest, they may not re-enter, even if they wish to purchase an additional ticket!**

ATHLETIC ACTIVITY PASSES

Activity tickets are available to purchase at full price anytime during the school year from the high school office. Individuals are encouraged to take

advantage of the significant savings as the activity pass costs much less than buying individual tickets for each event.

ATTENDANCE REGULATIONS

Experience has shown that a pattern of regular attendance is essential to school success. This is true regardless of the reason for absence. When classes are missed they cannot be made up in the same manner as when a student is present for class discussion/activity. Therefore, the school seeks the active cooperation of student and parent in striving for the highest possible level of attendance.

School Board Policy, in accordance with Wisconsin State Statutes on Compulsory School Attendance Law, requires regular school attendance but allows legal excused for absence due to illness, personal reason and vacation. **There will be a TEN-DAY LIMIT on parentally excused absences for the school year (personal, and vacation). Absences beyond the ten days will be considered unexcused unless they meet the following criteria: religious holiday, written medical excuse provided by a doctor or other related health professional, medical excuse on file with the school for chronic and recurring illness, death in the immediate family, court appearance or other legal procedure which requires the attendance of the student, or school ordered suspensions.**

***Any absence that is between 5-9 skinnies will be considered a full day absence. Any absence that is between 3-4 skinnies will be considered a half-day absence.* Parents or guardians must contact the high school office at 648-2355 Ext. 1 prior to 8:30 a.m. if a student is absent for any reason.** Parents/Guardians are expected to provide an explanation of absence at the time the student returns to school, unless prior approval was received. When a student returns to school during the school day, he/she must obtain an **admission slip** from the attendance office before reporting to class.

Wisconsin state law defines the conditions of the policy relative to absence.

- **Parent/Guardian Excused Absence:** The law allows parents to excuse students from school attendance for any reason as outlined in Board Policy whatsoever for up to ten days per year.
- **Excused Absence:** The law considers absence due to illness, bereavement, religious holidays, mandatory legal proceedings, or emergency to be excused. The school may require a doctor's statement or proof of situation at its discretion. Students may be granted one administratively excused absence per year for documented college visits.
- **Unexcused Absence:** Any absence beyond the "Parental/Guardian Excused Absence" or for cause other than defined under "Excused Absence".

- **Truancies:** Students are truant from school, class, or other assigned and scheduled situation when they are absent without legal reason.
- **Tardy:** Students are tardy when they come to school late or are late reporting to a class, study hall, Advisory, or other assigned and scheduled situation. Upon earning a sixth tardy in a quarter, the student, parents and administration will receive an automated discipline email in regards to scheduling a 30 minute detention. A sixth tardy will also result in the loss of the L-Cat pass the following quarter.

Truancy Policy

A copy of the city's Truancy Ordinance is available from either the Attendance/Guidance Office.

Making Up Work For Absences And Tardies

- **Excused Absence:** Students will be given two school days for each day absent to make up work and receive full credit. Teachers have the discretion to lower the grade for work turned in after the time limit.
- **Unexcused Absence:** Students have one school day for each day absent to make up work and receive full credit. Teachers have the discretion to lower the grade for work turned in after the time limit.
- **Truancies:** Students have one school day for each day absent to make up work and to receive a maximum of 50% credit or a "0" if not made up. All truant time must be made up during scheduled detention times. Truants may also be referred to appropriate authorities for further action.
- **Tardies:** All work missed due to tardiness must be made up from the class within one day or it may, at the discretion of the teacher be given a reduced grade.

Appointments

Appointments should be scheduled during non-school hours or study hall periods whenever possible. Permission to leave the building for an appointment is obtained by presenting a note from parent/guardian or an appointment card to the attendance office between 7:30 a.m. and 7:50 a.m. on the day of or prior to the appointment. Please return with verification of attending the appointment so that the absence does NOT count against the ten days of parentally excused absences.

Unexcused Absences

A student absence will be declared unexcused whenever an absence occurs that does not receive prior approval from the attendance office, follow state law or board policy, or is a result of truancy from school.

Students with unexcused absences will be assigned consequences that range from detention time, closed lunch supervision, in school suspension (ISS), Saturday detention, or loss of other pass privileges depending on the severity of the truancy. Chronic trancies will result in a court referral. Other interventions may include a parent conference, reviewing the student's academic status, recommending alternative programming, informing the employer and revoking the students work permit.

Pre-Arranged Absences

A student who needs to be absent from school for a family vacation, medical reason, field trip, driver's test or other reason must have this absence cleared in advance. Family vacations should be planned for school vacation time rather than during the time school is in session.

To approve absences in advance, a parent should call or email the office to notify us of the planned absence. **It is the student's responsibility to notify each teacher of the absence and to make arrangements for missed work.** If the absence is for a school sanctioned field trip, the student needs to return a parent permission form to the supervising teacher; the supervising teacher will send out a finalized list of participants to all staff prior to the trip. It is the student's responsibility to get work.

After-School Activities

In order to participate or attend after-school or co-curricular activities (practices, games, concerts, dances, etc) **a student must be present at the start of the 2nd half of the school day on the day of the activity.** Exceptions to this rule may include prearranged absences, doctor/dentist appointments, or family emergencies.

AWARDS AND SCHOLARSHIPS

Students at Lake Mills High School are afforded great opportunities to receive awards and scholarships. Please check with the high school office or guidance office for further information and a list of all of the awards and scholarships available. The decisions of the selection committees are final.

BULLY PREVENTION (INCLUDING CYBER BULLYING)

According to State Statute 118.46 (1), bullying is defined as aggressive or hostile behavior that is intentional and involves an imbalance of power between the bully and the bullied. It is typically repeated over time.

Bullying takes many forms, including, but not limited to, physical or verbal assaults, nonverbal or emotional threats or intimidation, social exclusion and isolation, extortion, and the use of a computer or telecommunications to send embarrassing, slanderous, threatening, or intimidating messages. Bullying is a form of victimization and is not necessarily a result of or part of an ongoing conflict. Bullying can also be characterized by teasing, put-downs, name-calling, cruel rumors, false accusations, and hazing. ***NO FORM OF BULLYING IS TOLERATED IN THE LAKE MILLS SCHOOL DISTRICT. Incidents should be reported to a school adult in a timely fashion. Please see Harassment.***

BUS TRANSPORTATION

Since safety is our prime concern, misbehavior will not be tolerated. Pupils will ride assigned buses only. Requests for exceptions shall be made to the Transportation Director in writing. The school bus is an extension of the classroom. All general rules of conduct and safety apply while on the school bus. Bus riders are to create no disturbances on the bus that may distract the driver's attention. The student must follow the directions of the bus driver at all times.

Wisconsin Statutes 118.15; 118.153; 118.16; 118.162; 118.165; 121.56; 121.54

CAFETERIA/COMMONS

All students must eat in the assigned areas including, but not limited to the Commons, Multipurpose Room, and Upper Gym Stage. At designated times of the year, students will be allowed to eat in the courtyard/front entrance. Students are reminded to be respectful to one another by taking care of their own eating space. Students are not to leave the immediate area of the courtyard and at no time be present in the parking lot without faculty permission.

These areas are an extension of the classroom. All general rules of conduct and safety apply. Students in the cafeteria/commons are to create no disturbances and must follow direction given by the cafeteria/commons supervisor.

Wisconsin Statutes 120.13

CAMERAS ON CAMPUS

For safety purposes, we have numerous cameras in and around the LMHS campus. Some may include audio. If something is captured that includes audio, the video and audio can be used in any investigation.

CLOSED CAMPUS

All students will maintain a closed campus during the school day. Only students that have been awarded a current L-Cat Pass are permitted to leave school property under the guidelines of the administration. Failure to comply with administrative guidelines will warrant direct disciplinary action.

CO-CURRICULAR CODE OF CONDUCT

Lake Mills High School strives to provide a wide variety of co-curricular activities to meet the interests of all students. In addition, LMHS promotes a healthy and safe learning environment which includes co-curriculars. For this reason, all participants in co-curriculars will be asked to review and sign a Code of Conduct before beginning these activities. This Code of Conduct may be superseded by a Codes of Conduct for a particular organization.

COURT ORDERS

Schools must have on file appropriate legal documentation in order to assure compliance with any limiting court order.

CUSTODY

In cases where parents are separated or divorced and one parent has legal custody, the school must have proof in the form of a copy of the court order that spells out both custody and visitation rights. Requests for additional copies of report cards, newsletters, etc. should be made in writing to the building principal (including name and current mailing address).

DANCES

Dances are intended for Lake Mills High School students. Once a student leaves a dance, he/she may not return.

- All dances must end no later than 11:30 P.M.
- Dances are open to the guests of LMHS students. Guests must be registered AND approved by the office 48 hours prior to the beginning of the dance. Guests must be 19 years old or younger.
- Students who are suspended may not attend school dances without prior approval.
- Students who are absent during the day of a dance or the Friday before a Saturday dance may not attend the dance unless they have prior administrative approval.
- Students with fines are not able to attend the dance without prior administrative approval
- Middle school students are not allowed at any high school dance.
- No students will be admitted after the Grand March begins (typically 10 P.M.)

Some students at our dances engage in dancing referred to as “grinding”, “twerking” and/or “freaking”. This type of “front to back dancing” has always been considered inappropriate at school events. **Students attempting to “dance” this way with an unwilling partner has led to the need for these reminders.** Pulling or pushing another student into an uncomfortable situation also is unacceptable. Chaperones do their best to minimize this type of dancing, but it does occur. *Please be aware that touching someone in their private areas or with your private parts, even with clothes on, may be interpreted as sexual assault.* Students whose dancing/behavior is deemed inappropriate or aggressive by a chaperone will be given one warning. If the behavior continues, they will be asked to leave without a refund and a parent will be contacted. Just because you are not caught does not mean that your behavior is acceptable or appropriate.

DETENTION

The high school office may assign detention for unexcused absences, trancies, tardiness or unacceptable behavior. Classroom teachers may

also choose to assign detention time in their rooms. Office detentions are to be served from 7:15 a.m. to 7:45 a.m. or 3:05 p.m. to 3:35 p.m. At the time a detention is assigned, the student will be informed of the room the detention is being held. Detention time takes priority over any extra-curricular activity schedule for that period of time.

Saturday School Detention:

Depending on the severity of the infraction or chronic nature of the behavior, students may be assigned to a supervised experience on a given Saturday. The three hour assignment will begin at 8 a.m. and conclude at 11 a.m. At the discretion of the supervisor, the assignment may include physical or academic tasks. Transportation to and from Saturday School is the responsibility of the student and his/her parents.

Saturday detention is considered an assigned school day. Any student that fails to attend Saturday School Detention will be assigned additional consequences and a parent contact may occur.

DIRECTORY INFORMATION/ STUDENT RECORDS

This is a public notice that the Lake Mills Area School District will disclose "directory data" to any person who requests such data. State Statute 118.125(b) "Directory data means those pupil records which include the pupil's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, photographs, degrees and awards received and the name of the school most recently previously attended."

If you are a parent, legal guardian, or guardian ad litem of any pupil attending a public school in the Lake Mills Area School District and do not wish all or any part of the "directory data" released without the prior consent of the parent, legal guardian, or guardian ad litem, please inform the building principal of your child's school IN WRITING.

This notice is required by Statute 118.125. The notice will enable the school district to publicized student academic and athletic activities as well as such simple things as allowing parents of elementary students to be able to contact other parents for social events (i.e. birthday and holiday parties). This information will not be disclosed for the sole purpose of solicitation.

DUE PROCESS

Any student directly affected by a decision which he/she feels to be wrongfully interpreted or applied may individually put such grievance in writing and submit it to the teacher and/or administrator involved.

*U.S. Constitution
Wisconsin State Statutes*

ENTERING/EXITING THE BUILDING

All students are asked to use the front doors when entering or leaving the building during school hours.

FEES

Students may be required to pay for a field trip or fees for a class project. All fees must be paid before attending dances or graduating.

GRADE CLASSIFICATION

Full time students register for 7.5 credits per year. Students must pass 6.5 credits per year in order to accumulate the 26 credits needed for graduation. Students who are behind the requirements for grade level classification will be transferred to a homeroom at the lower grade level.

10th Grade Standing..... Minimum of 5.5 Credits Earned

11th Grade Standing..... Minimum of 13 Credits Earned

12th Grade Standing..... Minimum of 18 Credits Earned

***** The minimum credits required for graduation are 26.**

The purpose of grade classification is to stress to the student the need to make progress each year. The student who lacks credits to move to the next grade level classification may still take some classes at that level, in addition to making up deficiencies. Classification will be reviewed at the end of each semester.

GRADE POINT AVERAGING

The following method of calculating grade point averages (GPA) is in effect. The following 4.00 scale is used to designate point differentials between plus and minus grades.

A = 4.00 points (Outstanding)

A- = 3.67 points

B+ = 3.33 points

B = 3.00 points (Above Average)

B- = 2.67 points

C+ = 2.33 points

C = 2.00 points (Average)

C- = 1.67 points

D+ = 1.33 points

D = 1.00 points

D- = 0.67 points

F = 0.00 points (Failure)

GRADING SCALE (SCHOOL-WIDE)

A 92-100% C 72-77.99%

A- 90-91.99% C- 70-71.99%

B+ 88-89.99% D+ 68-69.99%

B 82-87.99% D 62-67.99%

B- 80-81.99% D- 60-61.99%

C+ 78-79.99% F 0-59.99%

The semester grade will not automatically be an average of the two quarter grades. The quarter grade is an indication of progress at that time. It is, therefore, possible that a student could get a "C" grade at the third quarter and then do little or nothing the fourth quarter resulting in an "F" for the

quarter and the semester, rather than a “D” for the semester (which would be a grade midway between the quarter grades). The semester grade is an indication of overall achievement or knowledge at the end of the semester.

Teacher/Office Aide Credits – Eleventh or twelfth grade students may earn .25 credits per semester serving as an aide. They will be graded on a pass-fail basis. Students having teacher/office aide assignments away from the high school are required to provide their own transportation. Proof of personal insurance is required of students who drive to their assignments. Teacher/Office Aide is an assignment for the entire block. It is considered a “regular” class.

Making Up “D” Or “F” Grades:

1. A student receiving a semester “F” grade in a required subject must make up the credit by retaking the semester. Both the “F” grade and the grade received in the make-up will be included on the student’s transcript and grade point calculation.
2. A student receiving a semester “F” in an elective course may take the course again. The grades from each of the semesters will be included in the transcript and grade point calculation.
3. Students taking a course for the second time may not get additional credit for a course. The credit, or half credit, only counts once.

Incomplete Grades Policy

An incomplete may be given after clearance from the administration or guidance counselor. This grade is given for a course in which work has not been completed for a valid reason such as absence due to illness. A grade of incomplete should not be given simply to give more time to turn in work which should have been turned in at the regular time. An incomplete is indicated on the report card by an “I.”

Course Selection: Midyear, students, with the approval of their parents, will select courses and alternate courses for the next school year. A schedule for each student will be generated giving priority to those chosen by the student as either a first choice or an alternate. If the student does not select alternates, the district is free to determine alternate courses should the first choices not be available.

Course Changes: Course changes are highly discouraged. Adding or dropping of classes will only be considered with parent consent and administrative approval. This may include the student meeting with the teacher or other conditions set forth by the administration. Any course dropped after the first week of the semester may receive a failing grade.

Courses Not Included in the LMHS Course Handbook:

Courses not included in the Course Handbook must be reviewed and approved by the guidance department and administration prior to the start of the first class in order to be considered for credit. Virtual courses may only be taken if there is not a similar course offered in the district or if there is a critical scheduling conflict. Once approved, the final grade and credit for the alternative course becomes part of the student's transcript.
